Lean

I'm in Givenchy and Bape
I got my lean, I got my lean
Call me later, baby
I'm balling, yeah, with my team
Making moves, you playing
On the streets, on her knees
Got you bitch, she with me
Highway 6, hitting licks

Bitch, you know im crazy
Making moves, with the crew
This shit feel amazing
Making moves, making moves
Bitch, I had to make it

I got lean, I got lean, yeah
I got lean, I got lean

Yo no sé si tú
Mañana me vuelva a ver
Pero yo sé que enamorado ya me quedé
Con tu piel, con tu ser
Ey (Ey)

Dime tú qué vas hacer
Si mañana nos volvemos a comer
Dime baby, tengo lean pa' no toser
Nomás me busca cuando quiere coger
Y tú sabes lo que yo te quiero hacer
Nena, por favor, ya no me hables de él
Si conmigo te la pasas siempre al cien
Lo enrolamos pa' quemarlo en las calles de LA

I'm in Givenchy and Bape
I got my lean, I got my lean
Call me later, baby
I'm balling, yeah, with my team
Making moves, you playing

On the streets, on her knees
Got you bitch, she with me
Highway 6, hitting licks
Bitch, you know im crazy
Making moves, with the crew
This shit feel amazing
Making moves, making moves
Bitch, I had to make it

I got lean, I got lean, yeah
I got lean, I got lean
