Again

Natasha Bedingfield

Hands over my head, thinking "What else could go wrong?"
Would've stayed in bed, how can the day be so long?

Never believed that things happen for a reason
But how this turned out, removed all my doubts,

So believe, that for you I'd do it all over again
Do it all over again
All I went through, led me to you
So do it all over again, for you

I missed the first train, stood out in the rain, all day
But little did I know, when I caught the next train
There you were to sweep me away
Guess that's what I waited for

Oh, who ever thought a day gone so wrong
Would turn out so lovely?
I'm so glad I found you
Even though the day went so wrong
I wouldn't change a thing

Oh I'd do it, I'd do it all over again
Do it all over again
All I went through, led me to you
So do it all over again (I'd do it all over again)
I'd do it all over, I'd do it all over
I'd do it all over, for you, for you
All I went through, led me to you
So do it all over again

Who ever thought a day gone so wrong
Would turn out so lovely?
Who ever thought a day gone so wrong
Could turn out so lovely?
