Drop Me in the Middle

Natasha Bedingfield

Woah woah, woah woah, woah woah, woah woah Bizare from D12, my girl Natasha, from the low-end, hahaha I think I found the recipe of creativity Put all you've got, then add some heart They fence us in to break us down But stil they can't shut us down The walls are thin But stil we're strong We're broken but we beat as one Oh, I'm coming from the streets of London What I'm saying happens everywhere, Yeah Oh, so tryna do something different, something different Sumthin' different don't care Oh, but I wanna be where it's happening, where it's happening What what what what what Drop me in the middle so I can make a ripple effect Upon the ocean I'll be the moon that turns the tide Drop me in the middle so I can make a ripple A domino effect, falling through the sands of time Uh, huh Think I'll change the temperature 'Til its the right weather Here in the core, its getting warm Too many channels, nothing on To turn it off, it just takes one Yeah Oh, I'm coming from the streets of london What I'm saying happens everywhere What Oh, so tryna do something different, something different Gotta do somethin' So if youre standing on the side just watching get up get over here Oh, cause you gotta be where its happening, where its happening What what what what what Drop me in the middle so I can make a ripple effect Upon the ocean ill be the moon that turns the tide Drop me in the middle so I can make a ripple A domino effect falling through the sands of time Affectin' the world Yeah, ah, D12 Bizzare the big kid that raps A thousand kids with shower caps

How u like that

People hear D12 and start ?? But we be partyin' from Detroit to London On the grassy hoods, wherever you want it Matter of fact you can wiggle ma big stomach Born in the ghetto, raised in the ghetto I need a medal for gettin the hell out the ghetto Cause all I do is wap and you stinks And wish, the world was a better place Cause when your up they try to take you down Mess your day and turn your smile into a frown and you aint worry, and I aint either F bush, make bizzare a leader Cause rap is my only way out Ima dye my hair green and join no doubt

Drop me in the middle so I can make a ripple effect Upon the ocean ill be the moon that turns the tide Drop me in the middle so I can make a ripple A domino effect Affectin' the world Falling through the sands of time

Drop me in the middle so I can make a ripple effect Upon the ocean I'll be the moon that turns the tide Drop me in the middle so I can make a ripple A domino effect falling through the sands of time

Why you little I've seen you big boy Drop me in the middle Tasha bizzare Drop me in the middle The big guy
