

Reckless

Nate Smith

Loving me ain't easy
I can be like straight up whiskey
Straight out the bottle
I don't ever mean to chase down trouble
No, it just finds me

I can be a little reckless
Baby, I ain't short on love
I might be a little selfish
But I'll always fight for us

Not getting caught up, staying out too late
Never sending that text
Now you're sitting here wide awake

'Cause I don't wanna be reckless
Like the way I've been loving you

Baby when it gets dark
The storm clouds are rolling in
You gotta fight those thoughts
It ain't me, it's just the way I am

I can be a little reckless
Baby, I ain't short on love
I might be a little selfish
But I'll always fight for us

Not getting caught up, staying out too late
Never sending that text
Now you're sitting here wide awake
I don't wanna be reckless
Like the way I've been loving you
Like the way I've been loving you

I just wanna be
A little less reckless, a little less reckless
I just wanna be
A little less selfish, a little more selfless

I don't wanna be reckless
Baby, I ain't short on love
I might be a little selfish
But I'll always fight for us

Not getting caught up, staying out too late
Never sending that text
Now you're sitting here wide awake
I don't wanna be reckless
Like the way I've been loving you
Like the way I've been loving you

Loving me ain't easy
I can be like straight up whiskey
Straight out the bottle
I don't ever mean to chase down trouble
No, it just finds me
