

# Here In Your Arms

Nathan Dawe

Can you feel the rain yeah  
Now that it's fallin- fallin on you  
I'll be your sunlight  
Even the darkest cloud  
Our love will breakthrough

Here in your arms  
I'll be right here waiting  
So scared of love  
But I won't leave  
I'm staying

Here in your arms  
I'll be right here waiting  
So scared of love  
But I won't leave  
I'm staying  
I'm staying  
I'm staying  
I'm staying...

So scared of love  
But I won't leave  
I'm staying

Here in your arms  
I'll be right here waiting  
So scared of love  
But I won't leave  
I'm staying

Here in your arms  
I'll be right here waiting  
So scared of love  
But I won't leave  
I'm staying  
I'm staying  
I'm staying  
I'm staying...

So scared of love  
But I won't leave  
I'm staying

I'm staying...

So scared of love  
But I won't leave

When you're ready  
I'll be ready  
I'll be right here  
If you'll let me

When you're ready  
I'll be ready

So scared of love  
But I won't leave

Here in your arms  
I'll be right here waiting  
So scared of love  
But I won't leave  
I'm staying

Here in your arms  
I'll be right here waiting  
So scared of love  
But I won't leave  
I'm staying  
I'm staying  
I'm staying  
I'm staying...

When you're ready  
I'll be ready  
When you're ready  
I'll be ready
