

Lost Myself

Nathan Dawe

I think I lost myself
Tryna be someone else
Close to giving up
Had enough
Sorry
Maybe I need
Something else
Maybe I need
Something else

Look I don't even know where I'm going right now
And I don't even mean which pub
And I don't even know if this is a walk in the park
Or I'm stuck in the mud
And I can't even send this text
Cos I know it would get misunderstood
And I'm certain that I'm not one of those bad guys
But I don't feel good
I don't even
I don't know what to say
I didn't know what to do yesterday
And I definitely don't know what to do today
I just wanted to be okay
But unfortunately the only things I know
Are to fucking drink and fucking spray

I think I lost myself
Tryna be someone else
Close to giving up
Had enough
Sorry
Maybe I need
Something else
Maybe I need
Something else

And again
I don't even know where I'm going right now
And I don't even know where I've been
I need to give my mumzy a ring but
I don't want her to worry or anything
I feel like Shaun in Shaun of the Dead
Where he chuckles them flowers in the bin
I spend more than half my mornings
Stood in the shower and I sing like

I think I lost myself
Fuck knows John
Everyone's my best mate but
Unfortunately I don't trust no one
I just need to home
Alone
And lock off my phone
And I need to find a way to be happy
When I'm on my own

I think I lost myself

I'll be alright man
Sometimes
Sometimes you're not alright
But that's alright
Things will work out bro
You'll be blessed John
I hope so anyway like
Hey Siri, ring mum
