

Over You

Nathan Dawe

Remembering the first time I met you
I didn't see the heartbreak in your eyes
And now I'm building bridges over you
I'll get over you, get over you

Remembering the first time I met you
I didn't see the heartbreak in your eyes
Now I'm building bridges over you
I'll get over you, get over you

Over you
Over you
Over you
I'll get over you
Over you
Over you
I'll get over you
Get over you

Remembering the first time I met you
I didn't see the heartbreak in your eyes
And now I'm building bridges over you
I'll get over you

I know what I gotta do, gotta do
Gotta do, gotta do

I've been hurting for a while
You took it out on me, made me lose my mind
Now I gotta leave you behind
I'll put it in the back of my heart
I won't let you mess with my mind
I'm ready to let go now
And leave it all behind

I know what I gotta do, gotta do
Gotta do, gotta do
Gotta do, gotta do
Gotta do (Over you)
Oh

Remembering the first time I met you
I didn't see the heartbreak in your eyes
And now I'm building bridges over you
I'll get over you

I know what I gotta do, gotta do
Gotta do, gotta do
Gotta do, gotta do
Gotta do
I'll get over you, get over you

I'll get over you, I'll get over you
I'll get over you
I'll get over you
I'll get over you, get over you
