

Repeat After Me

Nathan Dawe

I want your touch in the morning
And every time I close my eyes
I feel your love like it's all over me
And every second waiting counts (Yeah)
Be all you desire
Be all your confessions, all your shame
And when your body's crying out for me
I'm worried you'll wait but remember the words I said

Don't you push me
Don't get careless
Don't mistake my
Love for weakness

I will always be the one you call on
Repeat after me (Oh-oh)
Repeat after me (Repeat after me, babe)
You'll always be the one I want
Repeat after me
Repeat after me

Repeat after me
Repeat after me

I want your touch in the morning (In the morning)
And every time I close my eyes (Eyes, eyes, eyes, eyes, eyes)
I feel your love like it's all over me (Yeah)
And every second waiting counts (Yeah, yeah)
(Turn the lights down low)
Be all you desire (Desire)
Be all your confessions, all your shame (All your shame)
And when your body's crying out for me (Aw yeah, yeah, yeah, yeah)
I'm worried you'll wait but remember the words I said

I will always be the one you call on (Oh-oh)
Repeat after me (Oh-oh)
Repeat after me (Repeat after me, babe)
You'll always be the one I want (Aw yeah)
Repeat after me
Repeat after me (Repeat after me, yeah, yeah)

Repeat after me (Repeat after me, baby)
(Oh-oh-oh)
Repeat after me

Repeat after me (Oh yeah)
Repeat after me (Oh yeah)
Repeat after me (Oh yeah)
Repeat after me, baby, yeah
Repeat after me
