

Ten (Get Back Up)

Nathan Dawe

If I fall nine times, then I'll get up ten
If I get knocked down I'll be back again
I'm a fighter 'til the bitter end
If I fall nine times then I'll get up, get up ten

I got bruises I got scars
I got lost inside the darkness, the darkness
I felt alone I felt afraid
All my demons left me heartless, so heartless but
One look in the mirror and I know I'm not a quitter

If I fall nine times, then I'll get up ten
If I get knocked down I'll be back again
I'm a fighter 'til the bitter end
If I fall nine times then I'll get up, get up ten

Oh, oh
Then I'll get up, get up ten
Oh, oh
Then I'll get up, get up ten

See there were times I wasn't sure
There were times I felt the thunder, thunder
I've been through hell and back before
Only left me feeling stronger, stronger 'cause
One look in the mirror all I'm seeing is a winner

If I fall nine times, then I'll get up ten
If I get knocked down I'll be back again
I'm a fighter 'til the bitter end
If I fall nine times then I'll get up, get up ten

I'll get up ten
If I fall to the ground
I'll get up ten
And when I'm in doubt
I'll get up ten
Because you can't keep me down
I'll get up ten

I'll get up ten
Through the storm and the rain
I'll get up ten
Through the hurt and the pain
I'll get up ten
'Cause whatever it takes I will get up ten
Now get up ten

If I fall nine times, then I'll get up ten
If I get knocked down I'll be back again
I'm a fighter 'til the bitter end
If I fall nine times then I'll get up, get up ten

Oh, oh
Then I'll get up, get up ten
Oh, oh
Then I'll get up, get up ten
