We Ain't Here For Long

Nathan Dawe

I'm sick and tired, ain't got the answer
And I know, I know, I know, I know it's hard sometimes
I'm feelin' guilty for feelin' guilty
And I'm never, never, never, never satisfied

Oh, heaven, help me, please
I'm beggin' on my knees
Somebody show me a sign
Oh-oh, endless days and lonely nights
And I felt this way a million times (Felt this way a million times)

We, we ain't here for long, oh-oh
So tell me what the hell we doin' for?
'Cause, I, I'm barely holdin' on, oh-oh
I gotta live my life before it's gone (Live my life before it's gone)
We, we ain't here for long, oh-oh
So tell me what the hell we doin' for?
'Cause, I, I'm barely holdin' on, oh-oh
I gotta live my life before it's gone (Live my life before it's gone)

I gotta live my life before it's gone

And all the fakin', this world is so cruel
And I really, really, really wanna just give up
I'm tryna stay strong, just gotta carry on
Will I ever, ever, ever, ever be enough?

Oh, heaven, help me, please
I'm beggin' on my knees
Somebody show me a sign
Oh-oh, endless days and lonely nights
And I felt this way a million times (Felt this way a million times)

We, we ain't here for long, oh-oh
So tell me what the hell we doin' for?
'Cause, I, I'm barely holdin' on, oh-oh
I gotta live my life before it's gone (Live my life before it's gone)
We, we ain't here for long, oh-oh
So tell me what the hell we doin' for?
'Cause, I, I'm barely holdin' on, oh-oh
I gotta live my life before it's gone (Live my life before it's gone)

Why ain't no one there for me?
'Cause I've been spendin' all my time
Givin' all of me, 'til I got nothin' left
But emptiness

We, we ain't here for long, oh-oh
So tell me what the hell we doin' for?
'Cause, I, I'm barely holdin' on, oh-oh
I gotta live my life before it's gone (Before it's gone, before it's gone)
We, we ain't here for long, oh-oh
So tell me what the hell we doin' for?
'Cause, I, I'm barely holdin' on
I gotta live my life before it's gone (Live my life before it's gone)

(I gotta live my life)

Live my life before it's gone (I gotta live my life)
Oh, yeah, yeah (I gotta live my life)
Live my life before it's gone
