Catch You When You Fall

Nathan Evans

I know you're tired of waiting for green lights on the same road
Your fires dying, don't let your dreams freeze out in the cold

Everybody hurts, everybody gets broken
Everybody bleeds, you just gotta keep going
Just take it one step at the time

Don't you be afraid and worry 'bout tomorrow
You can never win if you don't risk it all
Go on take a chance and promise you can let go
Darling I will catch you when you fall

I'll give you my eyes look in the mirror, see what I see
And as your tears dry just for a moment you could believe

Everybody hurts, everybody gets broken
Everybody bleeds, you just gotta keep going
Just take it one step at the time

Don't you be afraid and worry 'bout tomorrow
You can never win if you don't risk it all
Go on take a chance and promise you can let go
Darling, I will catch you when you fall

I catch you when you fall
Oh oh oh oh oh oh oh oh
I catch you when you fall
Oh oh oh oh oh oh oh oh

Everybody hurts, everybody gets broken
Everybody bleeds, you just gotta keep going
Just take it one step at the time

Don't you be afraid and worry 'bout tomorrow
You can never win if you don't risk it all
Go on take a chance and promise you can let go
Darling I will catch you when you fall

I catch you when you fall
Oh oh oh oh oh oh oh oh
(Everybody hurts, everybody gets broken
Everybody bleeds
You just gotta keep going
Just take it one step at the time)

I catch you when you fall
Oh oh oh oh oh oh oh oh
(Everybody hurts, everybody gets broken
Everybody bleeds
You just gotta keep going
Just take it one step at the time)

I catch you when you fall
Oh oh oh oh oh oh
