

# Drunken Sailor

Nathan Evans

What will we do with the drunken sailor?  
What will we do with the drunken sailor?  
What will we do with the drunken sailor?  
Earl-eye in the morning?

Way hay, when up she rises  
Way hay, when up she rises  
Way hay, when up she rises  
Earl-eye in the morning

Shave his belly with a rusty razor  
Shave his belly with a rusty razor  
Shave his belly with a rusty razor  
Earl-eye in the morning

Way hay, when up she rises  
Way hay, when up she rises  
Way hay, when up she rises  
Earl-eye in the morning

Put him in a longboat 'till he's sober  
Put him in a longboat 'till he's sober  
Put him in a longboat 'till he's sober  
Earl-eye in the morning

Way hay, when up she rises  
Way hay, when up she rises  
Way hay, when up she rises  
Earl-eye in the morning

Stick him in a scupper with a hosepipe bottom  
Stick him in a scupper with a hosepipe bottom  
Stick him in a scupper with a hosepipe bottom  
Early in the morning!

Way hay, when up she rises  
Way hay, when up she rises  
Way hay, when up she rises  
Earl-eye in the morning

Put him in the bed with the captain's daughter  
Put him in the bed with the captain's daughter  
Put him in the bed with the captain's daughter  
Earl-eye in the morning

Way hay, when up she rises  
Way hay, when up she rises  
Way hay, when up she rises  
Earl-eye in the morning

That's what we do with the drunken sailor  
That's what we do with the drunken sailor  
That's what we do with the drunken sailor  
Earl-eye in the morning

Way hay, when up she rises  
Way hay, when up she rises

Way hay, when up she rises  
Earl-eye in the morning

Way hay, when up she rises  
Way hay, when up she rises  
Way hay, when up she rises  
Earl-eye in the morning
