

Haul Away

Nathan Evans

Darling it's late and I wanna go home
Won't you walk with me?
Take what we have and we'll leave this behind
Haul away with me

Haul away, haul away
Haul away with me
Darling it's late and I wanna go home
Haul away with me

It's dark and it's cold and I wanna let go
You're right there for me
Help me find strength when I can't see the end
Haul away with me

Haul away, haul away
Haul away with me
It's dark and it's cold and I wanna let go
Haul away with me

Show me the light in the eye of the storm
Won't you comfort me?
No one will know if we just up and go
Haul away with me

Haul away, haul away
Haul away with me
No one will know if we just up and go
Haul away with me
