

Good Things Come to Those Who Wait

Nathan Sykes

There's no emergency
No sirens in front of me
There's nothing to stop me from getting my way, yeah
I'm not going anywhere
If you tell me, I'll stay right here
I'll be in the same place everyday

Heart stays patient
'cause I know it's worth it

That's why I take my time
Take as long as I got
Won't pretend to be somebody I'm not, no
Good things come to those who wait
I'm not perfect, nobody is
Could fill an ocean of blood sweat and tears, yeah
Good things come to those who wait

To show all my cards to you
But that's what a fool will do
I prefer to stick when the others would twist

'cause most people run and fall
They don't even work at all
There's nothing to prove, just to feel you exist

Heart stays patient
'cause I know it's worth it

That's why I take my time
Take as long as I got
Won't pretend to be somebody I'm not, no
Good things come to those who wait
I'm not perfect
Nobody is could fill an ocean of blood sweat and tears yeah
Good things come to those who wait

Good things
Yeah yeah yeah
Good things
Gotta hold on

That's why I'll take my time
Take as long as I got
I won't pretend to be somebody I'm not
Good things come to those who wait
Yeah yeah yeah yeah
Baby
Good things come to those who wait
Oh good things
(I'm not perfect) oh I know
(Nobody is), oh...
(could fill an ocean of blood sweat and tears) good things come, yeah
(Good things come to those who wait) oh I know it yeah yeah

Said I know
Gotta hold on, darling

Good things come to those who wait
Oh yeah
