

# All Power

Nathaniel Bassey

Eey, ey, eh, Eey, ey, eh, ey  
Eay nah, nah  
Eey, ey, eh, Eay nah, nah  
Nah, nah, nah

All power belongs to You alone  
All power belongs to You alone  
All the power belongs to You alone  
All power belongs to You alone

Once You have spoken  
Twice I have heard  
All power belongs to You alone  
And when You have spoken  
It surely comes to pass  
All power belongs to You alone

All power belongs to You alone  
All power belongs to You alone  
All power belongs to You alone  
All power belongs to You alone

Once You have spoken  
Twice I have heard  
All power belongs to You alone  
And when You have spoken  
It surely comes to pass  
All power belongs to You alone

All power belongs to You alone  
All power belongs to You alone  
All power belongs to You alone  
All power belongs to You alone

Eh yah eheh, eh yah eheh  
Eeh yah eheh, eh yah eheh  
Eh yah eheh, eh yah eheh  
Eeh yah eheh, eh yah eheh

Eh yah eheh, eh yah eheh  
Eeh yah eheh, eh yah eheh

All power belongs to You alone  
All power belongs to you alone  
All power belongs to you alone  
All power belongs to You alone

All power belongs to you alone  
All power belongs to You alone
