

Fountain Of Mercy

Nathaniel Bassey

Mercy of the Lord, mercy of the Lord
Mercy of the Lord, mercy of the Lord

I drink from the fountain of mercy
I soar on the wings of your Grace
I walk through the doors of great favour
Your mercy is speaking for me
I drink from the fountain of mercy
I soar on the wings of your Grace
I walk through the doors of great favour
Your mercy is speaking for me

There is therefore no condemnation
For those who are rooted in Christ
The Darkness has got nothing on me
His Blood is availing for me
There is therefore no condemnation
For those who are rooted in Christ
The Darkness has got nothing on me
His Blood is availing for me

I drink from the fountain of mercy
I soar on the wings of your Grace
I walk through the doors of great favour
Your mercy is speaking for me
I drink from the fountain of mercy
I soar on the wings of your Grace
I walk through the doors of great favour
Your mercy is speaking for me

The Lord is my Song and Salvation
He crowns me with Glory and Grace
All that I need He has given
And works everything for His praise
The Lord is my Song and Salvation
He crowns me with Glory and Grace
All that I need He has given
And works everything for His praise

I drink from the fountain of mercy
I soar on the wings of your Grace
I walk through the doors of great favour
Your mercy is speaking for me
I drink from the fountain of mercy
I soar on the wings of your Grace
I walk through the doors of great favour
Your mercy is speaking for me

Everywhere I go, everywhere I turn
Favour is all around me
Everything I do, everything I touch
Mercy is speaking for me
Everywhere I go, everywhere I turn
Favour is all around me
Everything I do, everything I touch
Mercy is speaking for me
Everywhere I go, everywhere I turn

Favour is all around me
Everything I do, everything I touch
Mercy is speaking for me
Everywhere I go, everywhere I turn
Favour is all around me
Everything I do, everything I touch
Mercy is speaking for me

I drink from the fountain of mercy
I soar on the wings of your Grace
I walk through the doors of great favour
Your mercy is speaking for me
I drink from the fountain of mercy
I soar on the wings of your Grace
I walk through the doors of great favour
Your mercy is speaking for me
Your mercy is speaking for me
Your mercy is speaking for me
Your mercy is speaking for me
Your mercy is speaking for me
Your mercy is speaking for me
Your mercy is speaking for me
Your mercy is speaking for me
Your mercy is speaking for me

I drink from the fountain of mercy
I soar on the wings of your Grace
I walk through the doors of great favour
Your mercy is speaking for me
I drink from the fountain of mercy
I soar on the wings of your Grace
I walk through the doors of great favour
Your mercy is speaking for me
