

# Holy

Nathaniel Bassey

Play it one more time, brother

One day, I saw a door  
Opened in Heaven  
Then I heard a voice  
Like a trumpet sound

And He said to me, "Come on up higher  
And behold the things that are yet to be"

Then I beheld a sight of majestic beauty  
All around the world, who is seated on the throne  
The creatures and the four and twenty elders  
Worshipping the One who lives forevermore

Singing  
Holy, holy, holy, holy, holy, holy are you Lord  
Holy, holy, holy, holy, holy, holy are you Lord  
Holy, holy, holy, holy, holy, holy are you Lord  
Holy, holy, holy, holy, holy, holy are you Lord

Then I heard the cries, saying  
"Who is worthy to take the book and to open up the seal?  
Worthy is the Lamb, Lion of Judah  
He has prevailed and opened up the seal"

Holy, holy, holy are you Lord  
Holy, holy, holy are you Lord (Angels cry)  
Holy, holy, holy are you Lord (Hear this cry)  
Holy, holy, holy are you Lord (And we cry)

Holy, holy, holy are you Lord  
Holy, holy, holy are you Lord  
(We worship You, we bow before You)  
One more time  
Holy, holy, holy are you Lord  
Holy, holy, holy are you Lord

Worthy, worthy is the Lamb of God  
That was slain for the world  
You're worthy, worthy to open the scroll  
And You have prevailed  
Your name is Alpha and Omega  
You own the power  
You're the Lion of Judah

You're the King of angel armies  
Lord, strong and mighty  
You are holy

Holy, holy, holy are you Lord  
Holy, holy, holy are you Lord  
Holy, holy, holy are you Lord  
Holy, holy, holy are you Lord (Oh, sing holy)

Holy, holy, holy are you Lord  
Holy, holy, holy are you Lord

Holy, holy, holy are you Lord  
Holy, holy, holy are you Lord

Holy, holy, Lord God Almighty  
Which was and is and is to come  
He cast our crowns  
We bow our knees before  
Who shall not flood the air  
Who shall not flood
