

I Will Dance

Nathaniel Bassey

I will dance before the King of my heart
I will dance before the King of my heart
I am not ashamed to dance, He was never ashamed of me
When He came to give His life for me

I will dance before the King of my heart
I will dance before the King of my heart
I am not ashamed to dance, He was never ashamed of me
When He came to give His life for me

La, la, la, la, la, la, la, la, la, la
La, la, la, la, la, la, la, la, la, la
La, la, la, la, la, la, la, la, la, la, la, la, la, la
La, la, la, la, la, la, la, la, la

I will sing before the love of my life
I will sing before the love of my life
I am not ashamed to sing, He was never ashamed of me
When He came to pour His grace on me

I will sing before the love of my life
I will sing before the love of my life
I am not ashamed to sing, He was never ashamed of me
When He came to pour His grace on me

Whoa, on the cross of Calvary
He lavished His love on me
Nothing I give would be enough
(There's nothing I can give that will ever be enough)
To match His perfect sacrifice

I will dance before the King of my heart
I will dance before the King of my heart
I am not ashamed to dance, He was never ashamed of me
When He came to give His life for me

When He came to give His life for me
When He came to give His life for me
When He came to give His life for me
When He came to give His life for me
