Never The Same

Nathaniel Bassey

We will never be the same again
We will see the hand of Jesus
Working great and mighty miracles
In the mist of His people

We will never be the same again
Jesus is here
Reach out to him
His power is here
All things are new

I will never be the same again
I will hear the voice of Jesus
Speaking great and mighty things of faith
To the hearts of His people

Oh I will never be the same
Oh no, for Jesus is here
Reach out to Him
His glory is here
All things are new

Oh reach out to Him
His presence is here
All things are new

Reach out to Him
His favour is here
All things are new

Reach out to Him
His power is here
All things are new
