

# Nothing Without Love

Nathaniel Bassey

Though I speak with tongues of men and that of Angels  
Prophecy and comprehend the deepest truths  
Though I have the faith to move the greatest mountains  
But I am nothing, I'm nothing without love

I need Your love Jesus  
I need Your love Sweet Jesus  
I'm just a sounding brass and a rolling cymbal without Your love

I need Your love Jesus  
Teach me to love  
Yeah  
For I am nothing, I'm nothing without love

Uh...  
Dada da da da da a taaa

Though I sing with voice of men and that of angels  
Write the finest songs and get the loudest cheer  
Though I sing and play the way that King David did  
Oh... I am nothing, I am nothing without love

Oh so I need your love Oh Jesus  
I need Your love Jesus  
I'm just a sounding brass and a rolling cymbal without your love  
Uhhh oh  
I need Your love Lord yea...  
Teach me to love You oh...  
For I am nothing, I'm just nothing without love

Oh Your love is beautiful  
It believes in everything  
It's humble, patient, gentle and so tender  
Where there be prophecies, knowledge and the gift of tongues  
Everything will fade away but Your love will never fail, eh  
For you are love Yourself and forever You remain  
So Jesus help me to love You...  
For I am nothing, I'm nothing without love

Oh... oh oh
