

Olowogbogboro

Nathaniel Bassey

Olowogbogboro is turning things around
Olowogbogboro is turning things around
Olowogbogboro is turning things around
For my good
For my good

Ko soun t'oo le se God
Heaven and earth adore You Lord
Your outstretched arm has given us victory
Miracles signs and wonders come from You
Testimonies just like that o!
Words are not enough to tell of all You've done, yeah

Olowogbogboro is turning things around
Olowogbogboro is turning things around
Olowogbogboro is turning things around
For my good
For my good

Who would have thought Lord (never imagined)
That You would move this way God
You whose path none can trace
Oluwa mi, mighty are Your ways
You have done more than I want o!
There is nothing more to say (absolutely nothing)

Olowogbogboro has turned things around
Olowogbogboro has turned things around
Olowogbogboro has turned things around
For my good
For my good

Things have turned around for me
Now I'm walking in victory
Jesus turned it around for me
He has given me victory

Things have turned around for me
(They have turned around for me)
Now I'm walking in victory
(I'm walking in victory)
Jesus turned it around for me
(Just like that)
He has given me victory
(He's given me victory)

Things have turned around for me
(He turned it around for me)
Now I'm walking in victory
(And I'm walking in victory)
Jesus turned it around for me
(He's turning around for me)
He has given me victory
(Now I have the victory)

Walk me the outstretched time

Olowogbogboro has turned things around
(He's turned it around)
Olowogbogboro has turned things around

We will shout Hallelujah
We will shout praise the Lord
We will dance in the spirit
And rejoice in Your name
From sunrise to sunset
We will shout praise the Lord
At the blast of the trumpet
Let Your praise fill the earth
