

Righteous One

Nathaniel Bassey

Righteous One, holy One, Emmanuel, You are God with us
Jesus Christ, anointed One, You are Messiah, my heart's desire
Is to know You much more, to live and walk in Your will
Is to love You much more, beholding the glory of Your face
Righteous One, righteous One, that's who You are
Who You are, that's who You are, ooh

Wonderful, beautiful, glorious, bright and morning star
Spotless lamb, son of God, kin's man redeemer, my heart desire
Is to know You much more, to live and walk in Your will
My God, is to know You much more, beholding the beauty of Your grace
Righteous One, righteous One, that's who You are
My desire is to know You, know You much more
I want to hear You and walk in Your ways, Jesus
Oh, I want to know You much more, know You much more, Lord
To carry the beauty of Your grace
You're the righteous One, the righteous One, that's who You are
You are righteous in all Your ways, that's who You are
You are righteous in all Your ways, that's who You are
Everything about You, Your is judgment is righteous, Your decrees are righteous
Your method is righteous, the things You say are righteous
Your ways are righteous, Your ways are righteous
There is no fault in You, God
No gall in You, God
Your judgments are true, they are just, they are perfect, everything about You is real
You're righteous in all Your ways
I've never seen anyone as righteous as You
I've never seen anyone as faithful as You
Everything You do is, is perfect

You judge righteously, You judge righteously
You are not wicked, You are kind, You are merciful
Oh, how your love is amazing, what manner of love is this
That You have given all, in spite of me, You will give it all
In spite of me, You will give it all
Righteous, righteous judge
You are holy in all Your ways, holy in all Your ways
Oh, You are holy

You are righteous (righteous One)
You are righteous (the righteous One)
You are wonderful (so wonderful)
You are beautiful (beautiful)
Oh, You are merciful (so merciful)
God, You are merciful (the God of mercy, You are)
You are faithful in all You do, God
You are faithful, that is why my desire is
To love You much more
I want to live for You, I want to serve You, alone
Oh, I want to know You much more

Behold, in Your face (the glory of Your presence)
Behold, in Your face
You're the matchless One (matchless One)
You are the righteous One

That's who You are
You are the righteous One
You are the righteous One
You are righteous
Beautiful and righteous
Wonderful and righteous
Glorious and righteous (glorious)
That's who You are
