

## So Good

Nathaniel Bassey

In You, I live and move and have my being  
You are my life, my joy and peace  
You have been so good, You have been so kind  
You are the reason I can lift my hands  
My glory and the lifter of my head  
I will testify for all eternity

Your goodness, Your goodness is over me  
Your mercy, Your mercy, You gave to me  
When you shed Your blood on the cross  
Your goodness, Your goodness is over me  
Your mercy, Your mercy, You gave to me  
Hallelujah, You have been so good  
Hallelujah, You have been so good

In You, I live and move and have my being  
You are my life, my joy and peace  
You have been so good, You have been so kind  
You are the reason I can lift my hands  
My glory and the lifter of my head  
I will testify for all eternity

Your goodness, Your goodness is over me  
Forgiveness, Forgiveness, You gave to me  
When you shed Your blood on the cross  
Your goodness, Your goodness is over me  
Your mercy, Your mercy, You gave to me  
Hallelujah, You have been so good  
(You have been so kind, hallelujah)  
Hallelujah, You have been so good

Your goodness, Your goodness is over me  
Forgiveness, forgiveness You gave to me  
When you shed Your blood on the cross  
Your goodness, Your goodness is over me  
Your mercy, Your mercy, You gave to me  
Hallelujah, You have been so good  
Hallelujah, You have been so good

You are good and Your mercy endures  
Forever and ever and ever  
Let Your people rejoice and be glad  
And let them rejoice in their king

Hallelujah, You have been so good  
Hallelujah, You have been so good

Hallelujah, You have been so good  
Hallelujah, You have been so good

You are so good, You are so good  
You are so good, You are so good, oh  
You are so good, oh, Jesus, You are so good, oh  
You are so good

Hallelujah, You have been so good  
Hallelujah, You have been so good

Hallelujah, You have been so good  
Hallelujah, You have been so good  
Hallelujah, You have been so good  
Hallelujah, You have been so good
