

Sound Of Many Waters

Nathaniel Bassey

Hear the sound of many waters
As we sing halle hallelujah
Oh, hear that sound of many waters
Singing halle hallelujah
Hear the sound of many waters
As we sing halle hallelujah
Oh, hear that sound of many waters
Singing halle hallelujah

Hear the sound of many waters
As we sing halle hallelujah
Oh, hear that sound of many waters
Singing halle hallelujah
Hear the sound of many waters
As we sing halle hallelujah
Oh, hear that sound of many waters
Singing halle hallelujah

There is something about our praise
That changes the atmosphere
It releases heaven on us
When we sing halle hallelujah

There is something about your praise
That releases the power of God
It's a heavenly revelation
Singing halle hallelujah

Hear the sound of many waters
As we sing halle hallelujah
Oh, hear that sound of many waters
Singing halle hallelujah
Hear the sound of many waters
As we sing halle hallelujah
Oh, hear that sound of many waters
Singing halle hallelujah

Brother Paul and Silas prayed
Singing praises to the Lord
And suddenly something happened
The prison doors opened wide

There is something about our shout
It shifts the atmosphere
Every Jericho wall must fall
When we shout halle halle halle

Hear the sound of many waters
As we sing halle hallelujah
Oh, hear that sound of many waters
Singing halle hallelujah
Hear the sound of many waters
As we sing halle hallelujah
Oh, hear that sound of many waters
Singing halle hallelujah

Hear the sound of many waters

As we sing halle hallelujah
Oh, hear that sound of many waters
Singing halle hallelujah
Hear the sound of many waters
As we sing halle hallelujah
Oh, hear that sound of many waters
Singing halle hallelujah

Hear the sound of many waters
As we sing halle hallelujah
Oh, hear that sound of many waters
As we sing halle hallelujah
Hear the sound of many waters
As we sing halle hallelujah
Oh, hear that sound of many waters
Singing halle hallelujah

Hallelujah, hallelujah
Hallelujah, hallelujah
Hallelujah, hallelujah
Hallelujah, hallelujah

Hallelujah, hallelujah
Hallelujah, hallelujah
Hallelujah, hallelujah
Hallelujah, hallelujah

Hallelujah, hallelujah
Hallelujah, hallelujah
Hallelujah, hallelujah
Hallelujah, hallelujah

Hallelujah, hallelujah
Hallelujah, hallelujah
Hallelujah, hallelujah
Hallelujah, hallelujah
Hallelujah, hallelujah

Hear the sound of many waters
As we sing halle hallelujah
Oh, hear that sound of many waters
Singing halle hallelujah
Hear the sound of many waters
As we sing halle hallelujah
Oh, hear that sound of many waters
Singing halle hallelujah
