We Come Before Your Presence

Nathaniel Bassey

We come before your presence, Lord We come before your presence The holy lamb of God We lay our crowns before you And we bow before your throne We come before your holy presence The holy lamb of God We lay our crowns before you And we bow before your throne To you To you To you up To you... We come before your presence The holy lamb of God We lay our crowns before you And we bow before your throne We come before your holy presence The holy lamb of God We lay our crowns before you And we bow before your throne Hallelujah hallelujah hallelujah, Amen... You are worthy, You are worthy You are worthy, Amen You are worthy, You are worthy You are worthy, Amen We come before your presence The holy lamb of God We lay our crowns before you And we bow before your throne We come before your presence The holy lamb of God We lay our crowns before you And we bow before your throne And we bow before We bow before We bow before your throne We bow before We bow before We bow before your throne We bow before We bow before We bow before your throne We bow before We bow before We bow before your throne!
