

When I Met Jesus (The Call)

Nathaniel Bassey

Something happened when I met Jesus
Something happened when I met Jesus
Something fresh, something new
Something words could not explain
Something happened when I met the son of God

Oh, something happened when I met Jesus
Something happened when I met this Jesus
Something fresh, something new
Something words could not explain
Something happened when I met the son of God

Dear friends, a few years ago
This Jesus came into my life
And everything changes
He comes into your life and all things become new
Dead things come alive and darkness becomes light
And everything change
And if you're listening to me now
And this Jesus is not your Lord and your Savior
Right now is a good time to accept him into your heart
Why don't you just pray this prayer with me
Say "Lord Jesus, I come to You today
I have knowledge that I'm a sinner
Forgive me and wash me in Your blood
I confess that Jesus Christ is the Son of God
He died and on the third day rules again
Thank You for saving me, in Jesus' name
Amen"
Father I thank You for everyone who has said that prayer
Thank You for saving us all in Jesus' name
Amen

Oh, something happened when I met Jesus
Something happened when I met this Jesus
Something fresh, something new
Something words could not explain
Something happened when I met the son of God
Something happened when I met the son of God
Something, something happened when I met the son of God
