

# Boiled Over

Nathaniel Rateliff

Sometimes you don't say it  
sometimes you don't want to  
and I didn't [?] you  
I didn't ask you

Tell me I'll be boiled away  
Easy but you just don't say

Sometimes you just wait  
sometimes you just wait through  
And when you're naked  
I wanna be next to you  
All that I want and I feel so fine  
Get on your knee, so I can tell you

Tell me I'll be boiled away  
Easier, I wanna say  
Tell me that I'm more than I am  
What if I'm falling?

So I didn't take it  
I didn't have to take you

Tell me I'll be boiled away  
Easier, I wanna say  
I, I, I
