Nathaniel

That lady  
I see her walking like she run the town  
That lady  
Got me so high that I can't see the ground

Every time you flick your hair I'm losing my mind  
Everything you're giving me is what I like

You give me just enough to keep my body burning  
Give me just enough  
To keep me coming back  
I wanna give up, but I can get it  
I wanna give in but you keep giving such a rush  
You give me just enough to keep me addicted

Can't stop shaking  
No, no, no, no  
Don't know how you got under my skin, yeah  
Don't keep me waiting  
I'll do anything to breathe you in

Every time you flick your hair I'm losing my mind  
Everything you're giving me is what I like

You give me just enough to keep my body burning  
Give me just enough  
To keep me coming back  
I wanna give up, but I can get it  
I wanna give in but you keep giving such a rush  
You give me just enough to keep me addicted

Addicted, addicted  
Just enough to keep me addicted  
Addicted, addicted  
Just enough to keep me addicted

Yeah  
I've got a little something to say  
And it goes a little something like this:  
I'm addicted  
I'm addicted to you (4x)

You give me just enough to keep my body burning  
Give me just enough  
To keep me coming back  
I wanna give up, but I can get it  
I wanna give in but you keep giving such a rush  
You give me just enough to keep me addicted

Addicted, addicted  
Just enough to keep me addicted  
Addicted, addicted  
Just enough to keep me addicted

I'm addicted to you  
I'm addicted  
I'm addicted to you

I'm addicted  
I'm addicted to you  
I'm addicted ...
