

# Live Louder

Nathaniel

You don't have to fall in line  
Life is such a crazy fight  
Live louder, oh  
Live louder, oh, uh

Put the hoes back on the shelf  
Let your freak up beat yourself  
Live louder, oh  
Live louder, yeah

Get up and dance like you dance when there's no one around  
Sing a song the way you sing when you're in the shower  
Lose yourself, let your soul, redesign a new kind of cool  
Redefine a new kind of  
La la la la la la, louder  
La la la la la la, live louder  
La la la la la la, louder  
La la la la la la

Don't be careful, don't think twice  
Just let your heart speak its mind  
One foot forward make your move  
No one does it quite like you  
Live louder, oh  
Live louder, yeah

You don't have to fall in line  
Life is such a crazy fight  
live louder, oh  
live louder, oh uh  
Put the who's back on the shelf  
Let your freak up beat yourself  
live louder, oh  
live louder, yeah

Get up and dance like you dance when there's no one around  
Sing a song the way you sing when you're in the shower  
Lose yourself, let your soul redefine a new kind of cool  
Redefine a new kind of  
La la la la la la, louder  
La la la la la la, live louder  
La la la la la la, louder  
La la la la la la

Let it go, let yourself go, go!  
Let it go, let it go, let it go  
Go! Go! Go!

Dance like you dance when there's no one around  
Sing a song the way you sing when you're in the shower  
Lose yourself, let your soul redefine a new kind of cool  
Get up and dance like you dance when there's no one around  
Sing a song the way you sing when you're in the shower  
Lose yourself, let your soul redefine a new kind of cool  
Come on and live a little louder  
La la la la la la, louder  
La la la la la la, live louder

La la la la la la, louder  
La la la la la la
