

## Feel It (In The Air Tonight)

Naturally 7

Oh lord, oh lord, oh lord, oh lord...

Cause I can feel it coming in the air tonight ... oh lord (oh lord)  
I've been waiting for this moment for all my life ... oh lord (oh lord)

Tick, tick, tock- it's time for closure  
I watch the hands on the clock, it's almost over?  
I feel it's coming like it's winter cause it's colder now  
Fat-lady type singing, like it's over now  
Knock, knock, knock.....it's coming closer  
I whispered to my baby don't cha worry cause I told -ya  
Don't be cryin for me, I'm a soldier now.  
I know who's knocking at the door that's Jehovah now (What!)

I know you're scared, I see your tears  
Got to believe (got to believe)  
Can't be deceived (can't be deceived)  
Don't lose your faith, we'll meet one day  
I see the light, (I see the light)  
I feel alright...

Cause I can feel it coming in the air tonight ... oh lord  
I've been waiting for this moment for all my life ... oh lord  
(Oooh I can feel it)  
I can feel it in the air tonight...  
Can ya feel it in the air tonight  
Cause if ya feel it in the air tonight..  
(Oooooooh I remember)

That night....cause I was dreaming  
I didn't understand, but now I know the meaning  
I know that baby you'll be fine, you won't be weeping long  
I see the signs of the times, I won't be sleeping long  
So tell me can ya feel it, are you listening  
Cause if ya feel it, like I feel it, don't be drifting...  
Thinking it's too late.(na)...judgement only God can make.  
Just wait! Rise you up like he baking cake. (What!)

I'm not afraid...my trust won't fade  
Got to believe (got to believe)  
Can't be deceived (don't be deceived)  
My faith is strong, I'm holding on  
I see the light (I see the light)  
I feel alright

I can feel it coming in the air tonight ... oh lord  
I've been waiting for this moment for all my life ... oh lord  
(Oooh I can feel it)  
I can feel it in the air tonight...  
Can ya feel it in the air tonight  
Cause if ya feel it in the air tonight.

I see your tears  
I feel your pain, oh yeah  
Don't ever worry we'll meet again

Cause I can feel it coming in the air tonight ... oh lord

I've been waiting for this moment for all my life ... oh lord  
Cause I can feel it coming in the air tonight ... oh lord  
I've been waiting for this moment for all my life ... oh lord  
(Oooh I can feel it)  
I can feel it in the air tonight...  
Can ya feel it in the air tonight  
Cause if ya feel it in the air tonight.
