

Poverty's Paradise

Naughty By Nature

You know, ever since we started in this game
We've been hungry
We've never known anythin' but poverty, and scuffin' those knee
s
And for all the stress and strife
We've had families and friends tell us everything's gonna be al
right
And now that we surfaced, our mission is to turn our poverty in
to our character
Ha-ha, Naughty By Nature's in the house
Settin' it off with with ninteen-naughty-five flavour
Introducing Poverty's Paradise, yeah
And this is the year that we go on [?]
Let the whole world hear our peoples cry
And bringin' to surface the years and years of all the wicked l
ies
And the ultimate goal is to remove all the [?] from the hands t
hat feed us
And to let the evil recognize that nothin' will stop these inde
