Frank Ocean

Nause

You was in my head
Now you're in my car
We keep on drivin' til we're lost
Chasing the setting valley sun
And we ain't stopping for no one

And if I'm close to you
I've got nothing to lose
Could we feel like waves in motion do?

We'll be cruising by the coast and
Listening to Frank Ocean
We feel like waves in motion do
And the sun in California
It looks so perfect on ya
Reflecting in your eyes cold blues

And if I'm close to you
I've got nothing to lose
Could we feel like waves in motion do?

In our white Ferrari sailing on
That dead-end town's as good as gone
We'll be be racing with the wind
This love is vintage like on film
And the soundtrack is this song

We'll be cruising by the coast and
Listening to Frank Ocean
We feel like waves in motion do
And the sun in California
It looks so perfect on ya
Reflecting in your eyes cold blues

And if I'm close to you
I've got nothing to lose
Could we feel like waves in motion do?

We'll be cruising by the coast and
Listening to Frank Ocean
We feel like waves in motion do
And the sun in California
It looks so perfect on ya
Reflecting in your eyes cold blues

And if I'm close to you
I've got nothing to lose
Could we feel like waves in motion do?
