

# The World I Know

**Nause**

I need dollar bills to feel something still  
I don't wanna feel at all  
I'm stripped to bare skin, ready to begin  
Here is a man risk it all  
I'm okay, I'm okay, I'm okay  
Are you ready to dance  
Ready to dance, ready to dance?  
I'm okay, I'm okay, I'm okay  
Are you ready to dance  
Ready to dance, ready to dance?

I paid my dues, I've been running away from you  
Wondering all confused  
This is the world I know  
My love has rusted, turning to ash and dust  
Nobody you can trust  
This is the world I know

Got away carrying storms, wake up to loved ones  
I bleed like a waterfall  
Scream out make a scene  
Somebody rescue me  
Here is a man in the middle of the fall  
I'm okay, I'm okay, I'm okay  
Are you ready to dance  
Ready to dance, ready to dance?  
I'm okay, I'm okay, I'm okay  
Are you ready to dance  
Ready to dance, ready to dance?

Oh, ohhh ooohh, oh this is the world I know  
Won't you give me a chance  
Give me a chance, give me a chance  
Oh, ooooh, ooooh, oh this is the world I know  
Won't you give me a chance  
Give me a chance, give me a chance

I paid my dues, I've been running away from you  
Wondering all confused  
This is the world I know  
My love has rusted, turning to ash and dust  
Nobody you can trust  
This is the world I know  
This is the world I know  
This is the world I know
