

And this beat from Cash, not from YouTube

I need it, I'm fiendin', this lil' bitch is a demon
I want it, I need it, pussy so good, therapeutic
If she got her shit together, you know I'ma breed it
She don't got her shit together, you know she gon' keep it
Moral of the story, you never could dump in a treesh, bitch
Every time she tell me she love me, I never believe it
At a point my heart, so cold, anemic
At a point my heart so cold, it be freezing
She the type to wipe yo' nose, like she sneezin'
She the type to write yo' phone, blow it up, be fiendin'
I'm the type to watch her call, act like I ain't seen it
Like, she the type of thot ass ho that act like she ain't treeshin'
Finsta postin' but I'm really creepin'
We could make a vid and you could leak it
She be likin' when I spread her legs open in the Range Rover and I eat it
And you kno that pussy be the best, you can call me Micheal Jack' the way I
beat it

Yeah, fisherrrr, bitch
Know I like when you suck, when you slurp it
Way you whine pon the cock, you're so perfect
Pussy so good make a **** nervous
I like when you cum and get to squirtin'
I like just to come and put that work in
You know me, I put my thumb in it on purpose
Pop a yidda and it get me in my Birkin
Perfect

This bitch is a demon, she get horny for no reason
She eatin' it up while I'm on the way to a meeting
Her pussy got power just like me, I need it
If she got her shit together, I still ain't gon' breed it
I'm going to work in her mouth like I'm a dentist
Hit a opp with a backhand, ain't no flaws in my tennis
This shorty a creep, she just wanna know my fetish
And everytime I splash in her, I regret it
You got control on me, baby girl, I'm fiendin'
I'm the type to hit yo phone, act like I don't need it
She the type to slime you out, pussy undefeated
I'm the type, she wildin' out, tell a bitch to beat it
You takin' boomerangs at dinner
Put my chain on you on my finsta
They ain't doin well, they be takin' L's, fuck with me, baby, I'm a winner
I'ma beat it up till the sun comin up, tryna fall asleep in her

Yeah, fisherrrr, bitch
Know I like when ya suck, when ya slurp it
Way you whine pon the cocky, you're so perfect
Pussy so good that it made me nervous
I like when you cum and get to squirtin'
I like just to come and put that work in
You know me, I put my thumb in it on purpose
Pop a yidda and it got me in my Brikin
Perfect
