Sip lean two months straight
YSL jeans too tight they don't fit me
Got a new girl, she great and we get high like Bobby and Whitney
Money locked in my safe, cash out every check that they send me
Took over my brother's case, I paid all bills that they let me
I don't care if they hate, as long as they talking 'bout me its okay
Stacked my money so tall, I can't see anyone anyway
Treating my cars like Hot Wheels, bring my toys outside to play
Lame ass rappers recycling flows, I ain't got no time to waste
