

My Mind

NAV

Before I had money
I swear that I had no life
Now I get drunk and I'm smokin' weed
Poppin' pills all the time
She said that she wanna suck me
If I don't mind
You say you wanna fuck all of my niggas
You wrap my mind
Yeah when I wake up
Only money is on my mind
When I wake up
Only hunnits is on my mind
When I wake up
Only money is on my mind
When I wake up
Only hunnits is on my mind
Bitch don't waste my time

She said she don't want fuck me
I told her don't waste my time
I do lots of drugs
But you won't see me snortin' no lines
I will not fuck that bitch
If she is less than a dime
Been in the Rex for too long
Almost lost my mind
Popped a couple Xannys
Now I can't open my eyes
She was lookin', lookin', lookin'
She jumped in the ride
Drivin' foreign cars
Wait 'til I get her inside
I was lookin' for brain
And she gave me a piece of her mind

Before I had money
I swear that I had no life
Now I get drunk and I'm smokin' weed
Poppin' pills all the time
She said that she wanna suck me
If I don't mind
You say you wanna fuck all of my niggas
You wrap my mind
Yeah when I wake up
Only money is on my mind
When I wake up
Only hunnits is on my mind
When I wake up
Only money is on my mind
When I wake up
Only hunnits is on my mind
Bitch don't waste my time

I took some molly
I hope it don't fuck up my night
Countin' on hundreds
Yeah they make me feel so alive

My mama can tell you
That I almost fucked up my life
Fuckboys switchin' up
I tell the same story twice
I know this shit goin' left
So I had to get right
No Curry, got 30s
My shooters gon' shoot you on sight
I heard that your boyfriend is broke
And he ain't got a dime
My diamonds is frozen
They shine when you turn off the lights

Before I had money
I swear that I had no life
Now I get drunk and I'm smokin' weed
Poppin' pills all the time
She said that she wanna suck me
If I don't mind
You say you wanna fuck all of my niggas
You wrap my mind
Yeah when I wake up
Only money is on my mind
When I wake up
Only hunnits is on my mind
When I wake up
Only money is on my mind
When I wake up
Only hunnits is on my mind
Bitch don't waste my time
