

She Hurtin

NAV

Oh, yeah

I know you got some insecurities, your last man left you scarred
I wouldn't change a thing about you, girl
I like you just the way you are (Just the way you are)
Gotta move precise, do you got what it takes to be with a star? (With a star
)
Tried to make her take a Range Rover, said she'd rather have a regular car (Car, oh)
Took you from a small town out to L.A
Now everything feel bizarre (Bizarre)
At the wrong time at the right place
Hear the camera go "flash," they gon' know who you are (Yeah)
You be passin' every time when I test your morals
Just to see what kind of person you are
I don't got no bad intentions, I don't cap about shit
When I tell you how perfect you are (You're perfect)

Bought you four different color Birkins (Yeah)
The way you make me feel, it's worth it
Have me really fucked up in person
All these drugs that I'm takin' make her nervous (Nervous)
Postin' on your story, baby, work it (Yeah)
Make it better if my ex-bitch lurkin' (Lurkin')
It's workin', if you tryna make her mad, it's workin' (It's workin')

She hurtin', you try to make her sad, she hurtin' (Hurtin')
Version, you like her but a lil' better version (Version)
Swervin', put the top down, we swervin' (Skrtrt)
Searchin' for a girl like you, I've been searchin'
Curved it, my friend in your DM, you curved it
Purchase, you point at anything, I'ma purchase (Purchase)
On purpose, I act a certain way on purpose (On purpose)
Surface, I'm more than what you see on the surface (Yeah, surface)

Got a lot on my plate, girl, I don't got no time for games
I know I look like a heartbreaker with these fast cars and these chains
Lately, I've been heartless, I got XO runnin' through my veins (XO)
But we got a lot in common, almost everything that we do is the same (Same)
I can bring the drugs, baby, bring your pain
Take a game changer, everything gon' change
5 A.M., we still up, drivin', sippin' drink
Almost hit the car beside me changin' lanes
Lots of new rappers comin' out with my sound
If I had a bad year, would you hold me down?
Gave you my code to my safe, girl, I trust you with any amount

Bought you four different color Birkins (Yeah)
