Driving down the 401 and I'm speeding  
Basic bitches asking me what a bean is  
Put her number in my phone and delete it  
Put her number in my phone and delete it  
My killers gorillas they roll with bananas  
30 on waist, they won't run out of ammo  
Ain't to much shit that my niggas can't handle  
Ain't to much shit that my niggas can't handle

If you take me simple, I swear you won't take simple again  
If you take me simple, I swear you won't take simple again  
Catch me in the 6 with my day ones  
We don't need no new friends  
(If you take me simple, I swear you won't take simple again no)

Remember the days sitting in Sdot  
Look up to the sky and came up with a plot
