Wrong Decisions

NAV

Had to get it all by myself, I ain't have a choice (No choice)
When you got nobody around, it's hard to enjoy (Mm-hmm)
In public, wearin' my chain, I make sure I show it (Show it)
Always feel like something's missin', I'm just tryna fill my void (Somethin' missin')
My heart been filled with pain, I just cover it up in Dior (Dior)
Sittin' courtside at the game, thinkin' 'bout my problems on the floor (On the floor)
I don't really enjoy this shit, I got 'em always chasin' more (Chasin' more)
Tryna keep up with other people, it's startin' to turn into a chore (I can't keep up)

Told myself, "I'm doin' damage" (Damage)
Nobody gon' understand it, tell the plug, "I need my fix"
I can't really trust my bitch, I just pray that my brothers don't switch (Don't switch)
All the people I help, a long list, makin' hits, I just know I won't miss
Take my words and twist 'em on the blogs
At least I know that they stayin' on my jock'
When I think about time, I start to plot
I can't let no one come and take my spot
What you make in a day, I make in minutes
Fuck the game, I'ma ball while I'm in it
Speedin' drivin' on the road to riches
I just hope I don't make the wrong decisions

If my ex try callin' my phone I'm still gon' ignore it (Still ignore it)
I'm sorry I'm not the same guy from before (I'm sorry)
Growin' up in my hood, I ain't get time to mature (No growin' up)
Now I got too many options to explore (Too many options)
Got a watch that tell time but it never tick (Never tick)
I was rollin' that one time when I made somethin' lit (Made somethin' lit)
Ever since then I really don't know when I'ma quit (I don't know)
Ever since then it's hard to trust everyone that I'm with (I can't trust no one)
Chasin' that feelin' when I feel like nothin' can stop me (Yeah)
I just wanna feel it, I've been usin' bitches for their bodies (Yeah)
I was just in a jam when XO came and got me (XO)
I ain't no industry plant, my money grow on trees, do you copy? (Copy)

Told myself, "I'm doin' damage" (Yeah)
Nobody gon' understand it ('Stand it, yeah), tell the plug, "I need my fix" (My fix)
I can't really trust my bitch (Yeah, my bitch), I just hope that my brothers don't switch (Yeah, don't switch)
All the people I help, a long list (Yeah, a long list), makin' hits, I just know I won't miss
Take my words and twist 'em on the blogs (Ooh)
At least I know that they stayin' on my jock'
When I think about time, I start to plot
I can't let no one come and take my spot
What you make in a day, I make in minutes
Fuck the game, I'ma ball while I'm in it
Speedin' drivin' on the road to riches
I just hope I don't make the wrong decisions

Yeah, yeah, yeah

Yeah, yeah, yeah
