

## Coming Correct

Navy Blue

"I am Atreyu"

"Not Atreyu the Child, Atreyu the Warrior!"

"I am the only Atreyu of the plains people"

Truth seeker and a gold finder, GoFundMe  
Everything I wrote is fire  
I'm not a dummy, I would smoke to just get a lil' higher  
I like the numbing effects, and I'm coming correct  
Type running from death, life summon the dead nights  
Nights through the cold snow, slip on the ice  
Blister and light, the sun glow, I...  
Wasn't who I was to provide for both lives  
I'm too nice  
Triple the Ps, this is a people pleaser plight  
Power Prayer Pride  
Momma found me in a bind tide, and when the tide got rough, there wasn't nothing left to hide  
Say it ain't so, Coldplay lived a life  
I love being alive, sometimes you gotta turn a blind eye  
Double of them, bubble keep me warmer in the wintertime  
Sit aside the fake shit, set aside the hatred  
Shameful I was lying to your face  
With a straight face, my first blunt with the taste grape  
That's the introduction where it take place  
It ain't take Sage much to get away  
Esu's cane and Ogun's chain

With God's grace I stay sane  
With your support I stay brave  
Everytime I speak they say same (same)  
That's the shit that keep me out my way  
With God's grace I stay sane  
With your support I stay brave  
Everytime I speak they say same (same)  
That's the shit that keep me out my way

I be on my way shortly, just have faith  
I be on my way shortly, just have patience

With God's grace I stay sane  
With your support I stay brave  
Everytime I speak they say same (same)  
That's the shit that keep me out my way  
With God's grace I stay sane  
With your support I stay brave  
Everytime I speak they say same (same)  
That's the shit that keep me out my way

I be on my way shortly, just have faith  
I be on my way shortly, just have patience

I be on my way shortly, let's see where it take me
