

Guiding Light

Navy Blue

I'm not supposed to be here I'm supposed to keep clear
The pain I couldn't keep fear
That's the way it go it's either six or eight cornrows dependin
g on my faith
Cause what's dependence with a cold C-O-A-S-T
The West Coast grew up on the East my first time seeing snow wa
s brand new
Rhyme fest the time stretching in a zone
It's Navy Blue knock it out the park like Babe Ruth I'm more Ke
n Griffey
Keep a distance if his man's iffy
Spliffy with the bottle got me tipsy they belong together
Ritchie Valens talents reaching down and grab swiftly
That's prey with a E three fours in a row like JAY-
Z but I'm still Navy
Niggas really play for keeps I ain't never fear God that I inta
ct to Weezy F. Baby
Peace to QThree, peace to Jah my nigga Nas, Chris and all my ni
ggas who be skating muni
Listen to what UMI Say I say my prayers to a day if I'm the air
of his Ashe the lonely air of Christmas Day I wish it never we
nt that way
That's the way it go that's the way it go I got to pay to grow
got to play to win my favorite sentence really know
And that's a whole last sentence if you get it if you don't it'
s all good you understand it in your own time
Drumming like it's Motown up I peep the low down spinning on a
globe round what I speak is profound
Lost until I was found if you never knew you should be grateful
that you know now
You should be grateful that you know now peace to QThree, peace
to Jah my nigga Nas, Chris and all my niggas who be skating mu
ni
Listen to what UMI Say say my prayers to a day if I'm the air o
f his Ashe the lonely air of Christmas Day
I wish it never went that way but that's the way it go
That's the way it go
