

Ode2MyLove

Navy Blue

I can feel my angels working
Yeah, I know that I'm worth it
I serve a greater purpose
I'm grateful for the hurting
My fears floating on the surface
For this love I'm determined
All this money got me nervous
Feeling like I did this a disservice
It was wonderful to see you
Now I wish that I could be with you for heaven's sake
I'm sorry
For heaven's sake
When I close my eyes and see you
I know that I could be with you if I just wait
I'm sorry

I'm sorry
No more sorries from me
No more lying she said
Just be honest with me
No more sorry
Said I'm sorry for real
Just be honest with me
She said, she said

Let me just say it
If I could just see you one more time
If I could just be with you one more time
If I could just see you one more time
If I could just be with you one more time
If I could be with you one more time
Would you be there with me?
Would you be there with me?
