

seperate ways!

Navy Blue

Yeah, yeah, yeah, yeah, yeah
Navy, Blue, the truest

I send my love from many miles away
I pray to god my soul is her's to take
It's, it's best we go our separate ways
My momma know I smoke, she ain't ashamed
I send my love from many miles away
I pray to god my soul is her's to take
It's best we go our separate ways
Momma know I smoke, she ain't ashamed

Many miles away
Her's to take
Separate ways
Momma know's, she ain't ashamed
