Possessed we're becoming one, you and I
In love, in love
Can't get enough

Just follow my lead my babe
From now on Imma drive you crazy (Oh)
We're barely holding onto emotion
Might lose grip any second
There's no need to talk mute
To where our instincts lead us move

Wanna take it all off
So I can see the real me

See me bloom feel alive
Can't hide the excitement (Ooh)
