

# Body Talk

Nayer

Listen to my body talk  
Listen to my body talk  
Singing na, na, na, na

Baby  
Listen to my body talk  
Listen to my body talk  
Singing na, na, na, na

Turn me on and push all my buttons  
Try my cake, it's straight from the oven  
High tonight  
I'm your soldier, know that I'm ready  
Girl, I told you, loving is ready, yeah  
Tonight

Baby, if you wanna lock me up  
You won't even need the cards  
'Cause you're enough  
Baby, want a little close to love  
I will never need another  
'Cause you're enough

Don't say a word  
Listen to my body talk  
Listen to my body talk  
Singing na, na, na, na

Baby  
Listen to my body talk  
Listen to my body talk  
Singing na, na, na, na

Light that fire, don't keep me waiting  
Bring my fire in different places  
High tonight  
Touch it, grab it, spin it, close it  
Work you harder than I pause you, yeah  
Tonight

Baby, if you wanna lock me up  
You won't even need the cards  
'Cause you're enough  
Baby, want a little close to love  
I will never need another  
'Cause you're enough

Don't say a word  
Listen to my body talk  
Listen to my body talk  
Singing na, na, na, na

Baby  
Listen to my body talk  
Listen to my body talk  
Singing na, na, na, na

And it ain't over till it's over  
I keep it running, running like a murder  
And it ain't over till it's over  
I keep it running, running like a murder

Love it when you touch me like that  
Do me like that, do me like that  
Love it when you touch me like that  
Do me like that, do me like that

I drove to blowing crazy  
Back it girl, no safety, safety  
She sees your eyes, sees your eyes  
Sees your eyes

Don't say a word  
Listen to my body talk  
Listen to my body talk  
Singing na, na, na, na

Baby  
Listen to my body talk  
Listen to my body talk  
Singing na, na, na, na

Don't say a word  
Listen to my body talk  
Listen to my body talk  
Singing na, na, na, na

Listen to my body talk  
Listen to my body talk  
Listen to my body talk  
Singing na, na, na, na
