

# Thirsty

Nayer

Stuntin', how I wanna  
On you, baby  
Dripping, got some water  
By you, baby  
Need to change yourself for me  
Step back, let the record play  
Drip drop and love me  
You're so dry, ok

I've been so thirsty, baby  
Why don't you fill your cup?  
Give me your cocky Dj  
That's how you turn me on

Harder, the harder, the harder  
The harder you trying  
Gets harder but I'll never drown you

Splash  
Don't be so thirsty  
Don't be so thirsty  
Don't be so thirsty  
Drip, drip  
Drip, drip, drop  
Don't be so thirsty  
Don't be so thirsty  
Don't be so thirsty  
Drip, drip  
Drip, drip, drop

Stuntin', how I wanna  
On you, baby  
Breath in for my loving  
Going crazy  
Need to change yourself for me  
Step back, let the record play  
Drip drop and love me  
You're so dry, ok

I've been so thirsty, baby  
Why don't you fill your cup?  
Give me your cocky Dj  
That's how you turn me on

Harder, the harder, the harder  
The harder you trying  
Gets harder but I'll never drown you

Splash  
Don't be so thirsty  
Don't be so thirsty  
Don't be so thirsty  
Drip, drip  
Drip, drip, drop  
Don't be so thirsty  
Don't be so thirsty  
Don't be so thirsty

Drip, drip  
Drip, drip, drop

Flash me and drop  
Please make it proud of  
Fuck you until you drop like I'm straight from Toronto  
Seasick with the pussy  
I'm barely floating  
I ain't new baller, I push that button, I'm booming  
Got a check on the weekend, fat ass goes straight to the attic  
I'm chocolate, you coconut, we make peppermint fatties  
Pop the top on the coupe, I realize that you flashy  
Pull up straight into this, I hope to God that you nasty

I've been so thirsty, baby  
Why don't you fill your cup?  
Give me your cocky Dj  
That's how you turn me on

Harder, the harder, the harder  
The harder you trying  
Gets harder but I'll never drown you

Splash  
Don't be so thirsty  
Don't be so thirsty  
Don't be so thirsty  
Drip, drip  
Drip, drip, drop  
Don't be so thirsty  
Don't be so thirsty  
Don't be so thirsty  
Drip, drip  
Drip, drip, drop

Drop, drop, drop, drop, drop  
Drip, drip  
Drip, drip, drop  
Drop, drop, drop, drop, drop  
Drip, drip  
Drip, drip, drop
