

Aku dan kamu kita semua pernah terjatuh
Yakinlah jangan pernah kau ragu
Dan kutahu semua ini tak akan mudah
Dan kutahu semua ini tak akan mudah

You have to believe
You have to believe
Into yourself
Into yourself
Into yourself

Lihat diriku hidup ini tak akan mudah
Yakinlah kamu 'kan tetap bersinar
Dan kutahu semua ini tak akan mudah
Dan kutahu semua ini tak akan mudah
Jangan kamu terlalu lama berdiam diri
Kamu harus cepat ikut aku bernyanyi

You have to believe
You have to believe
Into yourself
Into yourself
Into yourself
Into yourself
Ah, yeah
Into yourself

Don't give up, put your hand and goin' for that
You will never go down and you fight back
Quest some head those make come up and there my empties
Which you gotta Show where you at
Gonna pump your fists
Never let it missed
Bang 'em with your fist
Haha
No friends
I was just teasing isssh
Make 'em see y'all no ordinary kids
You are so damn special

You have to believe
You have to believe
You have to believe
You have to believe
Into yourself
Into yourself
Into yourself
Into yourself
Into yourself
Into yourself

Into yourself
