

Fool About You

Nazareth

Sometimes I feel Ive been hung on a line,
Wasting my time,
Sometimes I feel Ive been hung upside down,
You turned me around just a fool about you.

Sometimes I feel Ive been left on the moon,
Fed with a spoon,
Sometimes I feel like a dog with no bone,
Or a toad with no stone, just a fool about you.

Sometimes I feel like saying goodbye,
Cause Im living a lie,
Sometimes I feel like a clock with no time,
Or a verse with no rhyme, just a fool about you.

Sometimes I feel like a bird with no wing,
Or a bee with no sting,
Sometimes I feel like a train with no line,
Or a glass with no wine, just a fool about you.

Everybody knows Im a fool about you
Just a fool just a crazy fool,
Everybody knows I can't live without you,
So what am I gonna to do.
