

## A Beautiful Song

Nazz

Woke up this morning  
My dog was dead  
Someone disliked him  
And shot him through the head  
I woke up this morning  
And my cat had died  
I'm gonna miss her  
Sat down and cried  
Came home this evening  
My hog was gone  
The people here don't like me  
I think I'll soon move on  
And now somethin's happened  
That would make a saint frown  
I turned my back and  
My house burned down  
Woke up this morning  
My dog was dead  
Someone disliked him  
And shot him through the head  
I woke up this morning  
And my cat had died  
Don't you know I'm gonna miss her  
Sat down and cried
