Ay yeah ooh whoa, na na na na, ooh na
I'm not going back
I barely fell asleep late at night
But the ringing sound wakes me up
Now I'm so used to your calls
Should I pick up or not
I keep thinking it through
Hesitating for a while

Then I tell myself this is the last time
As I press the button
Your crying voice
Shakes me up again (because it pains my heart)

Whenever you need me
Stop looking for me, however you want (please)
There's no room for you anymore
This is already over

I'm not going back back back back back
(I ain't running back 2 u)

I'm not going back back back back back
(I ain't running back 2 u my baby)
I promised myself
But when I see you cry, I go crazy
Why are you doing this to me?
(Why are you doing this to me?)

Yeah
Now you say you want to
Come back in my world
But you're too much for me
The cash, the diamonds and pearls you spend
You're buried in flashiness
In the overflowing texts and emails
I try to push you away
I resented it from the start
Because I knew we couldn't be together

Whenever you need me
Stop looking for me, however you want (please)
There's no room for you anymore
This is already over

I'm not going back back back back back
(I ain't running back 2 u)
I'm not going back back back back back
(I ain't running back 2 u my baby)
I promised myself
But when I see you cry, I go crazy
Why are you doing this to me?
(Why are you doing this to me?)

Don't do this
Don't shake me up
I'm not the same as before
You know this
Every time you do this
I break down
Now don't look for me anymore

I'm not going back back back back back
(I ain't running back 2 u)
I'm not going back back back back back
(I ain't running back 2 u my baby)
Once you turn around, it's as if nothing happened
I'm not going back back back back back
(I'm not going back)

I'm not going back back back back
(Don't look for me again)
Back back back back
(I ain't running back 2 u my baby)
Once you turn around, it's as if nothing happened
I'm not going back back back back back
(I'm not going back)

I barely fell asleep late at night
The ringing sound wakes me up
But I turn around and close my eyes
